## Salute to Youth Community service award

Who says volunteering  
doesn't pay?

Every year, the Kinsmen club of Edmonton provides each Local High School with a \$1000 bursary for a student that best represents the Kinsmen creed:

"Serving the Community's  
Greatest Needs"

If you perform any volunteer work or Community Service, then you are eligible to apply for the award. Simply fill in the application form online, along with a faculty member's endorsement and you could be the recipient of the \$1000 award.

Winners will be chosen and notified by The Kinsmen Club of Edmonton.

Good luck!

**RE: Kinsmen Salute to Youth Community Service Award  
c/o – School Award Committee**

To Whom It May Concern:

The Kinsmen Club of Edmonton has provided each High School a \$1000 scholarship for its Annual Salute to Youth Awards for many years. In the spirit of the award, we would like to encourage students to contribute to the community and increase the awareness of the program so we have included a poster for the Salute to Youth program that I hope you can post around your school.

The process for students to register for the opportunity to win the award is:

- 1 – Students can submit their applications online at: [www.edmontonkinsmen.ca/salute2youth](http://www.edmontonkinsmen.ca/salute2youth)
- 2 - Once completed, the students will be given a submission ID
- 3 – The Kinsmen will accept all endorsed applications for each school and choose the winners for the schools. Submissions without endorsements will not be eligible for the award.
- 4 – Once the winners are chosen, the schools will be notified of the names
- 5 – Application deadline is April 30, 2017.

The Kinsmen Club of Edmonton will notify all of the winners as well as the faculties for their awards ceremonies. It is a great thing for the students as well as for the community.
