

# HOLY TRINITY CATHOLIC HIGH SCHOOL

## ATTENTION

You have selected the **At-Home Learning** option for your student. At Holy Trinity, courses will be streamed live from the classroom via Microsoft Teams. To ensure your student's success, the following technical requirements are necessary:

- 1) Access to a Laptop/Computer/Chrome book during school hours
- 2) Camera for video conferencing
- 3) Microphone

Students must log-in to their Microsoft Teams, with Camera on, at the start of each class as attendance will be taken. Please see attached school schedule for start times.

Decisions regarding mode of delivery choice can only be made at the start of each Quarter.

Assessments will be completed in person at Holy Trinity, as per teacher Course Outlines (days and times will vary).

This method is modelling Alberta Diploma practice.
