

REGISTRATION for Grade 10's – FAQ'S

What courses must I take?

All grade 10 students must take:

- 1- English, Science, Math and Social course
- 1- Religion course
- 1- Phys. Ed. course either 3 or 5 credit

Along with these 6 courses all Grade 10 students must have a full schedule of 8 blocks where 1 block = 1 (5) credit class or 2 (3) credit classes.

* If you are interested in taking full IB you must register for Chem 20IB

What if I speak and write a second language fluently can I challenge the course?

Yes, you can, please speak to your grade coordinator for further information.

How long do classes run?

Holy Trinity runs a semester system, with approximately (2) 80-minute blocks in the morning and (2) 80 - minute blocks in the afternoon. Thursday has four blocks which run approximately 50 minutes each.

Can I change a course after I have registered?

It is important that the decision to register for the courses the students are interested in are made with careful thought and consideration however students can make changes to their schedules in late August early September. Please be aware there are no guarantees that these changes will reflect the courses/schedule the students may desire.

If I have concerns/issues who can I contact?

Your first point of contact with Holy Trinity is your grade coordinator. Along with your grade coordinator, students can access support through student services where we house a school counselor, family school liaison worker and a mental health therapist.

Is Holy Trinity High School a closed campus?

Holy Trinity does have a cafeteria which provides hot food options however students are free to leave school grounds for lunch.
