

Holy Trinity High School - Student Code of Conduct

Purpose

The primary focus of the **Student Code of Conduct** is to help students address issues of dispute, develop empathy, and become good responsible citizens both within and outside of the school community. Holy Trinity High School along with the Edmonton Catholic School District have an obligation to provide a welcoming, caring, respectful, and safe learning environment that recognizes the unique gifts and inherent value of each student and staff member who is part of the Catholic school community. In this environment the goodness, dignity, and worth of all are recognized and all are held accountable for their actions.

Along with the teachings of the Catholic faith the following will be embedded in this policy:

- a. Alberta Human Rights Act
- b. School Act (Education Act)
- c. Alberta Bill of Rights
- d. Canadian Charter of Rights and Freedoms
- e. The Alberta Act, 1905, pursuant to Catholic Denominational Rights

We affirm that the rights set out in the *Alberta Human Rights Act* and the *Canadian Charter of Rights and Freedoms* are afforded to all students and staff members within Holy Trinity.

Role of each stakeholder

The ECSD recognizes that responsibility for student conduct is a shared responsibility between the District, students, their parents/guardians and the broader community.

Students have a legislated responsibility to:

- a. Ensure that their conduct contributes to a welcoming, caring, respectful, and safe learning environment that respects diversity and fosters a sense of belonging.
- b. Respect the rights of others in the school.
- c. Follow the rules of the school and the policies of ECSD.
- d. Contribute in a positive manner to the school and community. Parents/Guardians have a legislated responsibility

to:

- a. Ensure that their conduct and their children's conduct contribute to a welcoming, caring, respectful, and safe learning environment.
- b. Encourage, foster, and advance collaborative, positive, and respectful relationships with teachers, principals, other school staff, and professionals providing supports and services in the school.

The District has a legislated responsibility to:

- a. Deliver appropriate education programming to meet the needs of all students and to enable their success.
- b. Ensure that each student and each staff member is provided with a welcoming, caring, respectful, and safe learning environment that respects diversity and fosters a sense of belonging in a Catholic environment.

Affirm that pursuant to the *Alberta Human Rights Act* and the *Canadian Charter of Rights and Freedoms*, students and staff members are protected from discrimination from discrimination. More specifically, discrimination refers to any conduct that serves to deny or discriminate against any person or class of persons regarding any goods, services, accommodation or facilities that are customarily available to the public, and the denial or discrimination is based on race, religious beliefs, colour, gender, physical disability, mental disability, ancestry, place of origin, marital status, source of income, family status or sexual orientation.

Expectations Ensuring Student Success

The following section outlines the acceptable attitudes and behaviours expected of students within the academic environment at Holy Trinity High School. These attitudes and behaviors include academic expectations, attendance expectations, and academic honesty.

Academic Expectations

Assigned coursework: Students are expected to complete all assigned coursework in each of their classes. Students are to take responsibility for completing assigned coursework as well as adhering to the deadlines and criteria set forth by their teachers. Students are expected to maintain communication with teachers regarding assigned tasks and should notify teachers when coursework is either incomplete or will not be completed on time. Students will take responsibility for rescheduling

coursework deadlines and meeting coursework expectations. Students should maintain communication with their teachers until all of their course work is completed and submitted.

Academic Honesty:

Students are expected to comply with the terms and expectations as outlined in Holy Trinity's *Academic Honesty Policy*. (See Appendix)

Exam protocol: During exam writing sessions, students are to leave watches, jackets, coats, electronics, backpacks, purses, and other personal effects in their lockers. All students must have their Student Identification Card with them during exam sessions. Students are encouraged to come prepared for exams with the appropriate supplies required for the given exam (e.g., pencils, pens, erasers, a calculator, a ruler, a dictionary, a protractor set, etc.).

Attendance

In addition to maintaining Holy Trinity's Attendance Policy and Alberta Education Attendance Policy students are expected and responsible to adhere to the following attitudes and behaviors regarding attendance:

Regular and Consistent Class Attendance: Students are expected to maintain regular and consistent attendance in each of their scheduled courses. In the event of an absence, the student and parent/guardian will take responsibility for informing the office administration to ensure the absence is excused.

In the event of multiple absences, excused or not, students will take responsibility for initiating communication with their teachers to keep current with course work and any missed assessments. It is the responsibility of the student to reschedule any assessment tasks missed during an absence.

Extended Absences and Vacations:

Families are encouraged to plan extended absences and vacations around the school and exam calendars. If a student must take an extended leave of absence or a vacation, the student must complete an extended absence form from the office and also communicate with the grade coordinator who will then determine whether or not an alternate schedule is necessary by considering the duration of the absence.

Religious and Special Celebrations: Students are expected to attend all religious and special celebrations on or off campus. Students will maintain respectful and appropriate attitudes and

behaviors during celebrations. Offsite celebrations are to be attended promptly. After being dismissed from classes, students must go directly to the location of the offsite celebration. Upon completion of the celebration, students are responsible for returning directly back to school.

Safe Schools and Respect for the Learning Environment

The following section outlines the attitudes and behaviours required in a school to maintain a safe and nurturing learning environment. Students should adhere to all of these expectations to ensure the safety of themselves and others.

Student Behaviours

All students must inform a staff member if they witness or are victim to bullying behaviours that occur within the school or by electronic means. The Grade Coordinator/Assistant Principal for the student will investigate the incident with the assistance of the School Resource Officer. Unacceptable behavior could result in a suspension from school under Section 24 of the School Act. The following are considered major forms of misbehavior and will be dealt with severely, whether they occur within the school building, during the school day or by electronic means.

Bullying/Cyberbullying

Alberta Education defines "Bullying" as:

"...a repeated and hostile or demeaning behaviour intended to cause harm, fear or distress, including psychological harm or harm to a person's reputation. It often involves an imbalance of social or physical power."

Bullying can take different forms:

- Physical – pushing, hitting
- Verbal – name calling, threats, put-downs
- Emotional/Social – exclusion, rumors, extortion of money or possessions, intimidation
- Cyber – using the computer or other technology to harass or threaten.

Bullying will not be tolerated and will be dealt with immediately. We will ensure that the bully and the victim be provided counselling in our Student Services department, so that they may learn from the incident and avoid such actions in the future. Students will be coached and reminded throughout the school year to report any bullying incidents within the school, during the school day or by electronic means.

Behaviour towards School Staff

We have a **highly trained and caring staff**, dedicated to helping students learn and grow. Students are encouraged to develop a sense of worth, responsibility, self- respect, and respect for others. Students will treat all members of the school staff with courtesy, respect, and dignity.

School Property/ Vandalism

Students are expected to behave in a way that demonstrates respect of the facility and all of its contents. This includes, but is not limited to: the school building, the courtyard, the parking lot, the link area, the Millwoods Recreational Centre, and City of Edmonton facilities. - d. Students are expected to use the garbage/recycle containers provided.
- e. When property belonging to the school district is destroyed or damaged by the intentional or negligent act of a student, the student and the parents or guardian are jointly liable and may be required to compensate for any damages or losses incurred.
- f. Any student who may be required to make restitution or pay compensation for destruction of property and who fails to do so may be suspended from school and/or subject to legal action by the School Board for the purpose of obtaining the compensation.

All visitors must report to the main office. School visitors who do not obey school rules will be asked to leave and may be subject to the Trespass to Premise and/or School Act.

Fighting

Students should not engage in violent behaviour (including: uttering threats, physical fighting, and verbal arguments).

Weapons

Possession of a weapon or presentation of any object meant to threaten or intimidate will result in an immediate suspension. Any weapons brought to school will be confiscated and turned over to the police. Police may be involved if this is deemed to be appropriate by school administration. This includes any replica weaponry.

Illegal/Banned Substances

Students should not be in the possession of, or under the influence of, any illegal substance. This includes drugs, alcohol, tobacco, e-cigarettes, and all related paraphernalia.

Theft

Students are expected to respect the property of the school as well as the property of other students, staff and visitors. Students should not be in possession of the property of others without the expressed permission of the property owner. Students should not break, damage, steal or destroy the property of others.

Discrimination

The Alberta Human Rights Act prohibits discrimination on the basis of an individual's race, colour, ancestry, place of origin, religious beliefs, gender (including pregnancy, sexual harassment, and gender identity), physical disability, mental disability, marital status, family status, source of income, or sexual orientation.

Holy Trinity follows the *Commitment to Inclusive Communities in Edmonton Catholic Schools*. (See Appendix)

Students and visitors are required to park in designated parking areas. Students and visitors are prohibited from parking in designated staff parking. Students who obtain a parking pass from the office, may park in their designated stall. All other students are expected to use the East parking lot.

Offsite School Activities

Students participating in any offsite school activity as representatives of Holy Trinity must act according to all the same expectations outlined in this student code of conduct policy. Students should show the same respect to the place and people they are visiting and their supervisors as they would anyone from Holy Trinity High School.

Social Media Etiquette and Onsite Computer Usage

Holy Trinity students are expected to comply with the *ECSD Responsible Use Agreement* as signed and agreed upon during registration.

CONSEQUENCES FOR INAPPROPRIATE BEHAVIOR

We concentrate on positive behavior and attitudes; however, there are times when a student has difficulty recognizing their responsibility as a student. In such cases, we have outlined several possible consequences for behavior, whether the behavior occurs within the school building, during the school day or by electronic means. When a student behaves inappropriately, they can expect that the staff member present (teacher, administrator, teacher assistant, support or custodial staff) will take the most appropriate action. One or more of the following can be expected to occur:

- Verbal reprimand
- Restriction of privileges and activities
- Noon hour detention of student
- Parental involvement.
- Parent-student conference with school staff
- Verbal or written apology by student
- Problem solving, monitoring or reviewing behavior expectations
- Replacement or repair of damaged property
- Temporary removal of student from a class
- Bus suspension for students riding the school transporter or yellow school bus
- In-school suspension
- Out-of school suspension
- Behavior contract
- Involvement of outside agencies
- Involvement of Police
- Expulsion.
- Record of incident retained in PowerSchool.

In dealing with inappropriate behaviors, consequences are fair, but not always equal. A number of factors are taken into account when dealing with inappropriate behavior. As might be expected, the more serious the behavior, the more severe the consequence. Please also refer to the Alberta Education act for more information:

Commitment to Inclusive Communities in Edmonton Catholic Schools

***“With respect to the fundamental rights of the person, every type of discrimination, whether social or cultural, whether based on sex, race, colour, social condition, language or religion, is to be overcome and eradicated as contrary to God’s intent.”
(Gaudium et Spes, 29)***

Edmonton Catholic schools share a foundational belief that all children are unique, loved by God, and created in God’s image. As such, all human beings are inherently sacred and must be treated with dignity and respect. Based on this belief the mission of each school is to help students grow as children of God in all aspects of their person: physically, academically, socially, emotionally, morally and spiritually.

The Catholic Church teaches that:

- respect for every individual flows from their dignity as a person
- respect for the human person proceeds by way of a recognition of the principle that everyone should look upon their neighbour (without exception) as another self, and in this always bear in mind all that is necessary for them to live with dignity
- respect for the fundamental rights of the person, demands that every type discrimination, whether based on sex, race, colour, social condition, gender identity and expression, sexual orientation, language or religion is to be overcome and eradicated as contrary to God’s intent.

Given these teachings and given that which is embedded in the:

- *Alberta Human Rights Act*
- *School Act (Education Act)*
- *Alberta Bill of Rights*
- Canadian Charter of Rights and Freedoms.
- *The Alberta Act, 1905*, pursuant to Catholic Denominational Rights

The Edmonton Catholic School Board is committed to ensuring that all students and staff of Edmonton Catholic Schools and their families will be provided with:

- a fully inclusive school community
- a welcoming, caring, respectful, safe, and Catholic environment
- an environment that is free from discrimination of any type including but not limited to discrimination based on race, colour, gender identity, gender expression, age, physical, and mental characteristics, nationality, sexual orientation, family status, or marital status
